

Tbilisi State Medical University
Defended PhD Theses

2013

Faculty of Medicine 2013

Tamar Mosulishvili – The mechanisms of Ridetherapy Efficiency in Children with benign Hypermobility Joint Syndrome (at the Age 7-14)
Supervisor – Assoc. Prof. m. Loria

Shorena Tsiklauri – Effect of Treatment with Intranasal Electrophoresis of Vanadium on Pathophysiological Mechanisms of Allergic Rhinitis
Supervisor – Prof. N. Saakashvili, Prof. G. Bekaia

Ia Mikadze – The prognosis Meaning of Interleukin-10 and Interleukin-12 in patients with hepatitis C
Supervisor – Prof. E. Vashakidze

David Davitashvili – The Role of Oxidative Stress in neurodegenerative Diseases and its Modulation
Supervisor – Prof. T. sanikidze, Assoc. prof. N. Pavliashvili

Maia Kharabadze – Features of Anthropometric parameters and Functional Development of School Age Children and Adolescents of Kakheti Region
Supervisors – Prof. M. Betaneli, Prof.R. Khetsuriani

Ketevan Matishvili – Assessment of Motor and Psychosocial Development of Early Age Children with Iron Deficiency Anemia
Supervisor – Prof. N. Manjavidze

levanRatiani – Risk Markers of Atherosclerosis-Induced Cardio-Vascular Disorders in Women of Reproductive and Menopausal Age
Supervisors – Prof. M. Sulakvelidze, Prof. T. sanikidze

Ekaterine Sukhishvili – The Role of Calcitonin Gene-Related Peptide in the Regulation of Blood Pressure in Pregnant Rats in the Survival and Growth of Their Offspring
Supervisors – Prof. G. bekaya, Prof. N. Mitagvaria

Faculty of Stomatology 2013

Rusudan Kenchadze – Management of Burning Mouth Syndrome Taking into Consideration Various Etiologic Factors

Supervisors – Prof. M. Ivereli, Prof. N. Geladze

Nino Gogebashvili – Changes of Immune Parameters in the Process of Immunomodulation at Periodontitis

Supervisors – Prof. N. Abashidze, Prof. N. Gogebashvili

Faculty of Pharmacy 2013

Anna Bozhadze – Development of Cytotoxic Preparation from Aerial Parts of Celandine (*Chelidonium majus* L.) for Targeted Delivery

Supervisors – Prof. Al. Bakuridze, Prof. V. Vachnadze

Faculty of Public Health 2013

Ivane Kugoti – Radiation Burden of Population in Some Mountainous Regions of Georgia, Forecasting Long-Term Results and Their Prevention

Supervisor – Prof. N. Vepkhvadze

Shorena Tukvadze – Zinc Deficiency in Childhood: Prophylaxis and Correction by Zinc Fortified Product

Supervisors – Prof. R. Kverenchkhiladze, PhD. R. Kvanchakhadze

Nato Khunashvili – Working Conditions and health Status of Workers in Tbilisi Metropolitan

Supervisors – Prof. R. Kverenchkhiladze, PhD. M. Tsimakuridze

Tamar Darsania – Complex Study of Basic Concepts of Nutrition Policy in Georgia

Supervisor – Prof. Sh. Zarnadze

Total 15

2014

Faculty of Medicine 2014

Bondo Bzhalava – The Role of Peptide A-Defensin 1 in Development of Cardiovascular Diseases in Patients Suffering from Schizophrenia

Supervisors – Prof. Sh. Petriashvili, Prof. Z. Gurtskaia

Maka khaburzanian – Prognostic Importance EEG Characteristics in Comas of Different Etiology

Supervisors – Prof. M. Beridze, PhD. M. Virsaladze

Giorgi Parkosadze – The Role of Oxidative Stress in Pathogenesis of Nonalcoholic Fatty Liver Disease in Postmenopausal Women

Supervisors – Prof. M. Sulakvelidze, Prof. T. Sanikidze

Mariam Pliasunova – Assessment of Possible Mechanisms for Oral Blood Circulation Changes Induced By Local Anesthetics (an Experimental Study)

Supervisors – Prof. G. Bekaya

Medea Shengelia - The Markers of Gallstone Diseases' Risk in the Women being in the Period of Menopause

Supervisors – Prof. N. Gogebashvili, Prof. T. Sanikidze

Marine Alpaidze – Evaluation of Neurosonology Patterns of the Brain Posterior Circulation Disorders and Their Clinical Value

Supervisors – Prof. M. Janelidze, Prof. E. Titianova, University of Sophia, Bulgaria

Tea Bochorishvili – Insulin Resistance in Patients with HCV Infection

Supervisor – Prof. E. Vashakidze

Nino Chogovadze – Clinical, Colposcopic, Cyto-Histopathological and Immunohistological Characteristics of Metaplastic Changes in Uterine Cervix

Supervisors – Prof. G. Burkadze, Prof. M. Jugeli

Teona Devdariani – Characteristics of Sensorineuronal Hearing-Loss Children with Cytomegalovirus Bearing in Pre and Low School Age

Supervisors – Prof. N. Manjavidze, Assoc. Prof. K. Gogberashvili

Consultant – Prof. Z. Kevanishvili

Miranda Gudadze – The peculiarities of Stem Cell Distribution in Breast Ductal Invasive carcinomas of

Various Phenotypes

Supervisor – Prof. G. Burkadze

Magda Tortladze – The Role of Oxidation and Immune Factors in Pathogenesis of Preeclampsy

Supervisors – Prof. N. Kintraia, Prof. T. Sanikidze

Faculty of Stomatology 2014

Nino Khimshiashvili – Content of Matrix Metaloproteinases and Type IV Collagen in Periodontal Tissue at Pre and Pubertal Ages for Early Diagnosis and Prognosis of Gingivitis

Supervisor – Prof. T. Shishniashvili,

Consultant - Prof. Z. Tsagareli

Meri Borjadze - Clinico-Morphological Diagnostic Algorithm for Lip Diseases

Supervisors – Prof. M. Iverieli, Assoc. Prof. O. Khardzeishvili

Faculty of Pharmacy 2014

Nana Shashiashvili - Development and Standartization of Natural Untioxidative Preparation

Supervisor – Assoc. Prof. D. Berashvili

Faculty of Public Health 2014

Medea Eloshvili - Epidemiology of Meningococcal Infection in Georgia

Supervisors – Prof. I. Mchedlishvili, Prof. P. imnadze

Total – 15

Nora Kokaia – Molecular Epidemiology and Clinical Characteristics of Visceral Leishmaniasis at Modern Stage in Georgia

Supervisor – Prof. O. Zenaishvili

Megi Beruchashvili – The Morphological Changes of Cervical Epithelium in Risk-Groups of Female Population Supervisor – Assoc. Prof. Z. Topuria

Davit Elgandashvili – Optimizing the Treatment Gastroesophageal Junction of Benign Pathologies by Laparoscopic and Open Surgery Methods

Supervisors – Prof. Merab M. Kiladze, Prof. Merab A. Kiladze

Monika Sherozia – Differential Evaluation of Treatment by Physical Methods of Functional Bowel Disorders

Supervisors – Prof. G. Beradze, Assoc. Prof. Kh. Saganelidze

Paata Gudushauri – The Role of DHS Blade in Management of Pertrochanteric Femoral Fractures

Supervisor – Prof. T. Nozadze

Khatuna Khijakadze – Dynamics of Kreatine Kinase MB Fraction and Troponin I, Their Correlation and Prognostic Value in Patients with Coronary Artery Disease after Successful Percutaneous Coronary Revascularization

Supervisors – Prof. N. Emukhvari, PhD. E. Tsetskhladze

Tamar Kokashvili – Detection, Ecology and Biodiversity of Vibrio Cholerae Isolated from Recreational Aquatic Environments in Georgia

Supervisors – Assoc. Prof. G. Kamkamidze, Assoc. Prof. M. Tediashvili

Zviad Matoshvili – Early Repolarization as a Predictor of Arrhythmias

Supervisor – Prof. Sh. Petriashvili

Larisa Melia – Efficiency of Simultaneous Operations in Practice Obstetrics and Gynecology

Supervisor – Prof. N. Kintraia

George Kochiashvili – The Role of Alarmins in Etiopathogenesis of Interstitial Cystitis

Supervisor – Prof. D. Kochoashvili

Elene Pachkoria – The Role and Importance of E Coli Infection in Diarrheal Diseases and Biliary Tract pathology

Supervisor – Prof. E. Vashakidze, PhD. T. Megrelishvili

Khatuna Rekhviashvili – Cytokines and T Regulatory Cells in the Pathogenesis of Type I Diabetes

Supervisor – Prof. T. Chikovani

Maia Matoshvili – The Role of CCR6 Gene and Oxidative Stress in Pathogenesis of Psoriasis – Study in Caucasian population

Supervisor – Prof. Al. Katsitadze

Faculty of Stomatology 2015

Manana Utiashvili - Basic Aspects of Management of Cellular and Tissue Mechanisms of Reparative Dentinogenesis and Dental Caries

Supervisors – Prof. M. Mamaladze,

Consultant - Prof. D. Kordzaia

Faculty of Pharmacy 2015

Zinaida Chanturia – Practice of GPP Implementation in Georgia

Supervisors – Prof. V. Eriashvili, Assoc. Prof. T. Chumburidze

Faculty of Public Health 2015

Nana Mamuchishvili – Epidemiology of Leptospirosis in Georgia

Supervisors – Prof. I. Mchedlishvili, Prof. P. Imnadze

Total - 16

Ekaterina Sheshaberidze – The Mechanisms of Ridetherapy Effectiveness at Static (Short-Legged Induced) and Lumbar Dysplastic (the I and II Degrees) Scoliosis in Children Aged 11-16 Years
Supervisors – Prof. M. Loria

Archil Sharashenidze The Role of Uteroplacental Circulatory Disturbances in the Pathogenesis of Pregnancy Complications
Supervisors – Prof. L. Kikalishvili, Prof. P. Kintraia

Dali Shonvadze - Autoinflammatory Periodic Fever in Children and Adolescents
Supervisors – Prof. K. Pagava, Prof. T. Sarkisian, PhD. I. Korinteli **Natia Gamkrelidze** – Changes of Microvessels Wall Functions, Properties of Erythrocytes and microrheology in Crush Syndrome
Supervisors – Prof. V. Kipiani, Prof. T. Petriashvili

Gvantsa Arveladze – The Role of Lactic-Acidosis and Mitochondrial Functional Failure in Development of Neurological Syndromes and Diseases in Children and Adolescents
Supervisors – Prof. N. Geladze, Prof. T. Sanikidze

Tamar Basiladze – Differentiation the Role of Nitric Oxide and Calcitonin gene-Related Peptide in the Mechanism of the Skin Hyperemia (Experimental Study on Rats)
Supervisors – Prof. N. Gongadze, prof. G. Bekaia

Shalva Koridze – Psycho-Social Factors of the Frequency of Caesarian Section and the Ways for the Prevention of Postoperational Complications
Supervisor – Prof. P. Machavariani

Gela Metskhvarishvili – Pediatric Aspects of Bacteriophage Therapy
Supervisors – Prof. K. pagava, PhD. I. Korinteli

Besarion Lasareishvili – Age- Specific Characteristics of T Cell Subsets
Supervisors – Prof. T. Chikovani, Prof. Pantsulaia

Faculty of Stomatology 2016

Ekaterine Beshkenadze – Anatomo-Morphological Features of Dental Root and Canal System in Georgian Population

Supervisors – Assoc. Prof. N. Chipashvili, Asst. Prof. E. Mirvelashvili

Khatuna Davarashvili – Demyelination of Tooth Pulp and the Role of Ground Substance in the Reactive Change in the Mechanism of Pain Development in Case of Acute and Chronic Pulpitis

Supervisors – Prof. Assoc. N. Korsantia, Prof. Assoc. Z. Topuria

Total 11

2017

Faculty of Medicine 2017

Ketevan Berianidze – Aging Changes of Skin in Reproductive and Menopausal Period of Women

Supervisors – Prof. Al. Katsitadze, prof. T. Sanikidze

Manana Ghonghadze – The Role of Antioxidants in Regulation of Hepatocytes Cytolysis in the Experimental Model of Drug Induced Liver Toxicity

Supervisors – Prof. N. Antelava

Nikoloz Avazashvili – Monitoring of Postoperative Infectious Complications after Long Bones Osteosynthesis and Large Joints Replacement Surgery for Optimization of Preventive Measures

Supervisors – Prof. T. Nozadze, Prof. I. Mchedlishvili

Khatuna Gegenava – Hearing Function in Smokers: Data of Georgian Citizens

Supervisors – Prof. Sh. Japaridze, Prof. Z. Kevanishvili

David Kobeshavidze – Microbiological Monitoring of Nosocomial Purulent-Inflammatory Infections in Newborns and Puerperas

Supervisors – Prof. D. Chikviladze

Nino Jojua – The Role of Nitric Oxide and Dimethyl Sulfoxide in Formation of Penumbra Characteristics Caused by Development of Ischemic Stroke

Supervisors – Prof. N. Gongadze, prof. N. Mitagvaria

Mariam Kharaishvili – Postpartum Acute Infection: Epidemiology, the Risk Factors and Their Role in the Pathogenesis of Fertility in Women Population of Reproductive Age

Supervisor – Prof. P. machavariani

Margarita Gogoladze – Hernioplasty with New Antiseptic Polymeric Biocomposite Meshes

Supervisors – Prof. M. Kiladze, Prof. Chkhikvadze

Nino Lomidze - Epidemiological Markers of IgE Mediated Food Allergy in Allergic Patients

Supervisors – Prof. M. Gotua, Prof. G. Simonia

Faculty of Pharmacy 2017

Koba Sivsivadze – Chemical-Toxicological Analysis of Some Antipsychotic Drugs of Second Generation

Supervisors – Prof. T. Murtazashvili, Prof. M. Jokhadze

Sophio Gokadze – Development of State-of-the-Art Wound and Burn Healing Finished Forms on the Basis of a New Plant Biopolymer

Supervisors – Prof. Al. bakuridze, PhD V. Barbakadze

Faculty of Public Health 2017

Nino Mirzikashvili – The Perspective for Improving Adolescent Healthcare Services at Primary Healthcare Level in Georgia

Supervisor – Prof. L. Baramidze

Total 12
