

Collaboration with International Research Centres/Universities

#	Scientific-research units	first name, last name of a supervisor	rank/office	international research centre/university	First name, last name of an international partner
1	Department of Immunology	Tinatin Chikovani	Professor	London Imperial College. UK	Nagy Habib
2	Department of Immunology	Tinatin Chikovani	Professor	University of Catania. Italy	Ferdinando Nicoletti
3	Department of Immunology	Tinatin Chikovani	Professor	Barzilai University Medical Center, Ben-Gurion University of the Negev. Israel	Eli Magen
4	Department of Immunology	Tinatin Chikovani	Professor	University of Burgundy. France	Bernard Bonnotte
5	Department of Immunology	Tinatin Chikovani	Professor	University Hospital Erlangen. Germany	Roland Croner
6	Kutateladze Institute of Pharmacology Division of Terpenic Compounds	Genri Dekanosidze	Chief Scientist	Quebec. Kanada	Vakhtang Mshvildadze
7	Kutateladze Institute of Pharmacology Division of Steroid Compounds	Eter Kemertelidze	Chief Scientist	University of Salerno, Pharmaceutical and Biomedical Science Department. Italy	Sonia Piacente
8	Kutateladze Institute of Pharmacology Division of Steroid Compounds	Eter Kemertelidze	Chief Scientist	University of Innsbruck Institute of Pharmacy, Department of Pharmacognosy . Austria	Markus Ganzera

9	Kutateladze Institute of Pharmacochemistry Division of Chemical Modification of Natural Compounds	Nana Nadaraia	Chief Scientist	University of Leuven, Department of Chemistry. Belgium	Wim Dehaen
10	Kutateladze Institute of Pharmacochemistry Division of Pharmaceutical technology	Lia Tsiklauri	Senior Scientist	University of Iowa. USA	Guohua An
11	Kutateladze Institute of Pharmacochemistry Division of Pharmaceutical technology	Lia Tsiklauri	Senior Scientist	University of Sassari. Italy	Paolo Giunchedi
12	Kutateladze Institute of Pharmacochemistry Division of Pharmaceutical technology	Lia Tsiklauri	Senior Scientist	University College London, School of Pharmacy. UK	Catherine Tuleu
13	Kutateladze Institute of Pharmacochemistry Division of Pharmaceutical technology	Lia Tsiklauri	Senior Scientist	University of Buffalo. USA	Marilyn E. Morris
14	Kutateladze Institute of Pharmacochemistry Division of Pharmaceutical technology	Lia Tsiklauri	Senior Scientist	Philipps University of Marburg. German	Udo Bakowsky
15	Kutateladze Institute of Pharmacochemistry Division of Pharmaceutical technology	Lia Tsiklauri	Senior Scientist	University of Innsbruck. Austria	Andreas Bernkop- Schnürch
16	Kutateladze Institute of Pharmacochemistry Division of Pharmaceutical technology	Lia Tsiklauri	Senior Scientist	University of Geneva. Switzerland	Éric Allemann

17	Kutateladze Institute of Pharmacochemistry Division of Herbal Biopolymers	Vakhtang Barbakadze	Chief Scientist	Armenian National Academy of Sciences, Scientific –Research Centre of Organic and Pharmaceutical Chemistry	Samvel Sarakanian
18	Department of Medical Pharmacology Research group for the relations of Department of Pharmacology with fundamental sciences	Kakha Bakuridze	Assistant Professor	University of Quebec. Kanada	Andre Pichette
19	Research group for the relations of Department of Pharmacology with clinical sciences	Makrine Mirziashvili	Assistant Professor	Emory School of Medicine, Division of Infectious Diseases. USA	Russell Kemkper
20	Bakhutashvili Institute of Medical Biotechnology	Archil Aladashvili	Senior Scientist	University Hospital Erlangen. Germany	Roland Croner
21	Bakhutashvili Institute of Medical Biotechnology	Ia Pantsulaia	Chief Scientist	University of Lodz. Poland	Jolanta Niewiarowska
22	Bakhutashvili Institute of Medical Biotechnology	Ia Pantsulaia	Chief Scientist	Tel Aviv University, Israel	Eugene Kobyliansky
23	Bakhutashvili Institute of Medical Biotechnology	Ia Pantsulaia	Chief Scientist	University of Oregon. USA	Lia Danelishvili
