

## Collaboration with International Research Centres/Universities (2018–2021)

| #  | Scientific-research units  | Supervisor           | Rank/office         | International research centre/university                               | International partner |
|----|--|----------------------|---------------------|--|-----------------------|
| 1  | Department of Clinical Neurology   | Marina Janelidze     | Professor           | University of Würzburg   | Victor Claus Toika    |
| 2  | Department of Propedeutics of Neural Diseases and Topic Diagnostics  | Maia Beridze         | Professor           | Imperial College London  | Henry Holden          |
| 3  | Department of Clinical Neurology   | Natela Okujava       | Associate Professor | Imperial College London  | Ley Sander            |
| 4  | Department of Geriatry   | Gaiane Simonia       | Professor           | AMEE-WFME  | Trevor Gibbs          |
| 5  | Department of Public Health Management   | Levan Baramidze      | Professor           | University of George Washington  | Carla Berg            |
| 6  | Department of Hygiene and Medical Ecology  | Nino Kiladze         | Associate Professor | University of Emory  | Anke Huels            |
| 7  | Department of Botany   | Dali Berashvili      | Professor           | Lubline Medical University   | K. Stalizka-vozniak   |
| 8  | Department of Immunology   | Tinatin Chikovani    | Professor           | Imperial College London  | Nagy Habib            |
| 9  | Department of Immunology   | Tinatin Chikovani    | Professor           | University of Catania  | Ferdinando Nicoletti  |
| 10 | Department of Immunology   | Tinatin Chikovani    | Professor           | Barzilai University Medical Center, Ben-Gurion University of the Negev | Eli Magen             |
| 11 | Department of Immunology   | Tinatin Chikovani    | Professor           | University Hospital Erlangen   | Roland Croner         |
| 12 | Department of Immunology   | Nona Janikashvili    | Associate Professor | University of Burgundy   | Bernard Bonnotte      |
| 13 | Department of Immunology   | Nona Janikashvili    | Associate Professor | INSERM   | Philippe Saas         |
| 14 | Department of Medical Pharmacology<br>Research group for the relations of Department of Pharmacology with fundamental sciences | Kakha Bakuridze      | Assistant Professor | University of Quebec   | Andre Pichette        |
| 15 | Research group for the relations of Department of Pharmacology with clinical sciences  | Makrine Mirziashvili | Assistant Professor | Emory School of Medicine   | Russell Kemkper       |

|    |  |                     |                  |  |                         |
|----|--|---------------------|------------------|--|-------------------------|
| 16 | Kutateladze Institute of Pharmacochemistry       | Genri Dekanosidze   | Chief Scientist  | University of Quebec   | Vakhtang Mshvildadze    |
| 17 | Kutateladze Institute of Pharmacochemistry       | Eter Kemertelidze   | Chief Scientist  | University of Salerno  | Sonia Piacente          |
| 18 | Kutateladze Institute of Pharmacochemistry       | Eter Kemertelidze   | Chief Scientist  | University of Innsbruck  | Markus Ganzera          |
| 19 | Kutateladze Institute of Pharmacochemistry       | Nana Nadaraia       | Chief Scientist  | University of Leuven   | Wim Dehaen              |
| 20 | Kutateladze Institute of Pharmacochemistry       | Lia Tsiklauri       | Senior Scientist | University of Iowa   | University of Iowa      |
| 21 | Kutateladze Institute of Pharmacochemistry       | Lia Tsiklauri       | Senior Scientist | University of Sassari  | Paolo Giunchedi         |
| 22 | Kutateladze Institute of Pharmacochemistry       | Lia Tsiklauri       | Senior Scientist | University College London  | Catherine Tuleu         |
| 23 | Kutateladze Institute of Pharmacochemistry       | Lia Tsiklauri       | Senior Scientist | University of Buffalo  | Marilyn E. Morris       |
|    | Kutateladze Institute of Pharmacochemistry       | Lia Tsiklauri       | Senior Scientist | Philipps University of Marburg   | Udo Bakowsky            |
| 24 | Kutateladze Institute of Pharmacochemistry       | Lia Tsiklauri       | Senior Scientist | University of Innsbruck  | Andreas BernkopSchnürch |
| 25 | Kutateladze Institute of Pharmacochemistry       | Lia Tsiklauri       | Senior Scientist | University of Geneva   | Eric Allemann           |
| 26 | Kutateladze Institute of Pharmacochemistry       | Vakhtang Barbakadze | Chief Scientist  | Armenian National Academy of Sciences, Scientific –Research Centre of Organic and Pharmaceutical Chemistry | Samvel Sarakanian       |
| 27 | Kutateladze Institute of Pharmacochemistry       | Lasha Mskhiladze    | Chief Scientist  | University of Liège  | Michael Frederick       |
| 28 | Bakhutashvili Institute of Medical Biotechnology | Archil Aladashvili  | Senior Scientist | University Hospital Erlangen   | Roland Croner           |
| 29 | Bakhutashvili Institute of Medical Biotechnology | Ia Pantsulaia       | Chief Scientist  | University of Lodz   | Jolanta Niewiarowska    |
| 30 | Bakhutashvili Institute of Medical Biotechnology | Ia Pantsulaia       | Chief Scientist  | Tel Aviv University  | Eugene Kobylansky       |
| 31 | Bakhutashvili Institute of Medical Biotechnology | Ia Pantsulaia       | Chief Scientist  | University of Oregon   | Lia Danelishvili        |
