

Assessment of Academic Achievement for Bachelor's Programs

I. Acquisition of Practical Skills – 30 Points:

Full performance of the laboratory work scheduled in the plan for each of the 10 practical sessions – 3 points.

Evaluation of knowledge based on a 3-point system implies:

- 3 points** – Has a deep understanding of the topic, answers additional questions comprehensively, terminology is correct;
- 2 points** – The answer is complete but inconsistent; reasoning shows the student mostly understands the topic, though makes minor inaccuracies;
- 1 point** – The quality of the answer and reasoning is satisfactory, but it makes significant errors;
- 0 points** – The answer to the topic is completely unsatisfactory.

II. Academic Activity – 5 Points:

Quizzes with 5 MCQs tests at each of the 10 practical sessions, each correct answer – 0.1 points ($5 \times 0.1 = 0.5$ points). $0.5 \times 10 = 5$ points.

III. Colloquia – 20 Points:

2 colloquia – 25 tests per paper, one correct answer – 0.4 points ($25 \times 0.4 = 10$); $2 \times 10 = 20$ points.

IV. Professionalism – 5 Points
