To: Prof. Dr. Zurab Vadachkoria
Rector
Tbilisi State Medical University
Tbilisi, Georgia

Dear Prof. Dr. Zurab Vadachkoria,

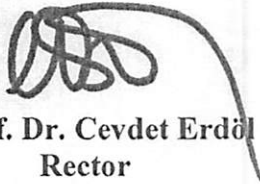

Let me first express my deep respect and thank you for the confidence you have shown us.

We sincerely hope that the summer internship program has been productive and that we will be honoured to see your students at our university and clinics again.

In addition, let me note the high level of training and knowledge of the students of Tbilisi State Medical University and the well-coordinated work of the International Affairs Department and the supervisors.

We will do our best to develop further cooperation between our universities.

Sincerely,

Prof. Dr. Cevdet Erdöl
Rector
