## INTERNATIONAL OLYMPIAD FOR MEDICAL STUDENTS

### "Medicine of the Future 2026"

#### Invitation to Participate in the International Olympiad for Medical Students

Dear Participants, Faculty Members, and Guests,

Central Asian University is pleased to welcome you to the **"Future of Medicine 2026"** – the 3rd International Medical Olympiad, taking place from **October 31 to November 3, 2026**.

This year marks the third annual edition of our Olympiad, which continues to bring together the brightest, most ambitious medical students from different countries who aspire to shape the future of healthcare.

This prestigious international competition offers participants a unique opportunity to:

- demonstrate advanced medical knowledge and clinical skills,
- explore modern technologies and innovative approaches in medicine,
- build international academic connections and professional networks,
- and take an important step forward in their personal and professional development.

We strongly believe that participating in this Olympiad will become a meaningful milestone in your medical journey.

**The Grand Prize of the Olympiad is 500 000 000 UZS (40 000 USD)**

#### About Central Asian University:

**Central Asian University** – is a modern educational institution that combines academic traditions with innovative teaching methodologies. We create an international platform for talented students, offering opportunities for scientific research, advancement in medical practice, and the development of intercultural communication.

## About the CAU School of Medicine

The School of Medicine at Central Asian University is distinguished by:

- High-quality education that meets international standards.
- Practice-oriented training incorporating advanced simulation technologies.
- Collaboration with leading clinics and medical centers.
- Extensive opportunities for scientific research and participation in international projects.

We are confident that this Olympiad will not only test your professional abilities but also provide invaluable experience, opening new opportunities for growth. We wish you success, confidence, and inspiration!

**Welcome to the future of medicine!**

**Dates:** October 31 – November 3, 2026

**Eligibility:** 4th to 6th-year medical students

### Goals and Objectives

1. Enhancing professional competencies of medical students from Asia and Europe.
2. Assessing theoretical knowledge, practical skills, and clinical problem-solving abilities.
3. Strengthening academic and professional ties between medical universities in Asia and Europe.
4. Promoting innovative technologies and methodologies in modern medicine.
5. Encouraging professional development through prestigious awards.

**Official Languages of the Olympiad:** Uzbek, Russian, English
